Hi Alexandra,

I'm working on a story on the EPA engagement meeting in Fayetteville, NC yesterday. NC has experienced GenX contamination and I'm wondering if there has been a problem with GenX in New Hampshire as well. I've contacted DES and haven't spoken with them yet so I thought I'd try you. I will file the story tomorrow, 8/16, so please contact me today and thanks for your help,

Ken Liebeskind, the Telegraph, Nashua, NH -- Personal Phone / Ex. 6
